3. Read the following statements and sign that you agree:
 - Students need absolute moral truths and values that are rooted in the Old and New Testament.
 - Students need to see these Biblical truths integrated across the curriculum.
 - Students need high academic standards and the challenge to become life-long learners in order that they can be successful in this ever-changing technological society.
 - Students need a love and respect for all God's people regardless of race, color, ethnic origin and/or handicapping condition.
 - Students need a triangle of influence including a partnership within the school, home, and church that will enhance a safe educational environment.

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:14) Believing on these words of Christ, our desire at Brice Christian Academy is to allow children to know God as stated in a modern affirmation of faith.

- We believe in God the Father, infinite in wisdom, power, and love, whose mercy is over all his works, and whose will is ever directed to his children's good.
- We believe in Jesus Christ, Son of God and Son of man, the gift of the Father's unfailing grace, the ground of our hope, and the promise of our deliverance from sin and death.
- We believe in the Holy Spirit as the divine presence in our lives, whereby we are kept in perpetual remembrance of the truth of Christ, and find strength and help in time of need.
- We believe that this faith should manifest itself in the service of love as set forth in the example of our blessed Lord, to the end that the kingdom of God may come upon the earth.

I am in agreement with these statements.
